

MEGAFLEX I7004
Air and Water Hose

Good oil and chemical resistance.
 Cut and abrasion resistant.
 Applications: Air lines, Air tools, Coolant lines and Spraypaint lines.

Nominal Internal Diameter (mm)	6	8	10	12
Pressure (kPa)				
Working	2 000	1 800	1 700	1 700
Burst	8 000	7 200	6 800	6 800
Mass per metre (g)	109	166	208	262

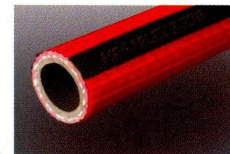

MEGAFLEX I776
Fire Reel Hose

SABS 1086/1975

10-year design life.
 Specially designed for the fire fighting industry.
 Features a heavy duty nylon reinforcing to withstand the high pressure encountered in municipal mains.

Nominal Internal Diameter (mm)		12,5	20
Pressure (kPa)			
Working		1 700	1 500
Burst		6 800	6 000
Mass per metre (g)		265	414

MEGAFLEX IB806
Helivyl

Suggested for use in Hydraulic Systems and compressed air networks (e.g. agricultural machines, car washing machines, air compressors and generally for the conveyance of air and water under high pressure.

Nominal Internal Diameter (mm)	10	12,5	20
Pressure (kPa)			
Working	6 600	6 600	5 300
Burst	20 000	20 000	16 000
