

G A R D E N H O S E S

MEGAFLEX garden hoses are:

Highly flexible.

Easy to coil all year round.

UV stabilised.

Garden hoses are suitable for: Domestic gardens

Certain agricultural and industrial applications

MEGAFLEX garden hoses have a **PVC** inner liner and outer cover, reinforced with polyester yarn.

MEGAFLEX DLD 20
Standard

6-year design life.
Burst pressure of 2 800 kPa.

Internal Diameter (mm)	12	20
Mass per metre (g)	121	246

MEGAFLEX DLD 25
Medium

7-year design life.
Burst pressure of 3 000 kPa.
Orange stripe.

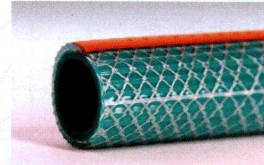

Internal Diameter (mm)	12	20
Mass per metre (g)	150	290

MEGAFLEX DAS 53
Industrial

8-year design life.
Burst pressure of 3 200 kPa.
Orange stripe.

Internal Diameter (mm)	12	15	20
Mass per metre (g)	177	248	330

MEGAFLEX DHD 60
Industrial

10-year design life.
Burst pressure of 4 000 kPa.
Blue stripe.

Internal Diameter (mm)	12	20	25
Mass per metre (g)	210	338	538

SABS 645-1970 type II
